San Francisco Architectural Heritage Advisory 2/1/07

Our apologies for this second transmission regarding our Chinatown event on February 10. The first, which you received yesterday, had some technical problems for many of you.

"2007 - The Year of the House" begins at noon with a dim sum lunch at New Asia Restaurant, followed by a self-guided walking tour of Chinatown's historic architectural sites. The cost to members is \$40/\$45 to non-members, and includes lunch and a printed guide prepared by Heritage staff for this tour. RSVP by February 6. Proceeds benefit the Haas-Lilienthal House Roof Fund.
